Trust, Betrayal and Rejection; Re-establishing Trust in the Couple Relationship

Presenter: **Aldo Gurgone**

Friday 12th March

9:30pm- 4:30pm

\$385(including GST)

Aldo Gurgone will explore “betrayal” in the couple relationship: affairs, cybersex, emotional betrayal & rejection. Using a systemic perspective, Aldo will look at the assessment of the relationship and treatment planning, particularly attending to safety issues. He will present an approach for long term change & the re-establishment of trust.

This workshop will combine PowerPoint input, case material, small group interactive exercises & participant’s questions.

Aldo is a clinical psychologist & family therapist with 38 years clinical experience across all sectors. He is the Director of William Street Family Therapy Centre, Perth and has worked in the UK, Australia & Italy. He is consultant & presenter in the production of the Fremantle Migrant Resource Centre training packages. Aldo has published & produced psycho-educational DVD’s and presented to numerous conferences on his work with couples.
