dignity for disability is the political party who believe in 'a fair go' for everyone.

d4d demands human rights for people with disabilities, in particular.

The crisis in disability and mental health affects us all.

We are committed to standing up for those who are marginalised and whose voices are not heard.

Major reform of our legislation is needed. With a seat in the Legislative Council we will not be ignored, and we WILL make a difference. **Your support is vital.**

Join our campaign to achieve 'a fair go' for everyone in our community.

- Contribute to the campaign – every single dollar will make a big difference
- Volunteer a few hours on polling day – 20 March – to hand out 'how to vote cards'
