

## Pt Lincoln

# DisABILITY & Ageing

## EXPO 2010

### Overview

2010's Disability and Ageing Expo was Adelaide's largest Disability and Ageing event so far with over 12,000 people at the Wayville Showgrounds.

Since 2004, The Disability Expo has been an annual event. The Port Lincoln Disability and Ageing Expo 2010 will be the only exclusive regional event attracting a cross section of South Australian people with disabilities and those that are ageing, their families and carers, businesses, community services and the general public.

Traditionally run over one day, the friendly and relaxed nature of the event provides a welcome and easily accessible environment for people with a disability, those who are ageing, their families, children and friends.

It can be a challenge for someone with a disability or an elderly person to find out what care, products and support services are available to help them improve their quality of life. People with a disability or who are ageing may have transport or mobility issues or find it difficult to use the ever changing technology that the rest of us take for granted. Accessing quality information can be not only a daunting task but an incredibly frustrating one.

At the Disability and Ageing Expo you will find service professionals with specialist displays and extensive products that support independence for people with a disability and people who are ageing, or observe the spectacular entertainment between 11am to 4pm in the Leisure Centre, Port Lincoln

Families and schools with children visiting the Expo will find fun with a face painting artist and entertainment in the Kids Craft Workshop. With interactive activities including colouring in, arts, crafts and games, the area will ensure the Expo is a great family day out!

**Friday, 22nd October 2010**

**10am - 4pm**

**Port Lincoln Leisure Centre, Jubilee Dr**
