A Program for Mental Health

One in five adults in Australia experience conditions such as depression, anxiety & panic attacks (ABS). GROW provides support through friendly mutual help groups and a 12 Step Program of recovery in an atmosphere of trust and anonymity. In 2010 GROW SA is running a Pilot Program of early intervention especially designed for youth who may be experiencing mental health issues including low self-esteem, peer isolation, trouble with their schooling or remaining at school because of difficulties at home.
