## **Farewell to Sandy Iussa**

### **Director of DIRC 2007 – 2011**

March 2011 marked the farewell for DIRC's director, Sandy Iussa.

It was with sadness I communicated to our staff, key stakeholders and the disability sector that Sandy had informed DIRC's Board of her desire to move on from her role, effective 11 March 2011.

Sandy was appointed Director in 2007 and has been responsible for managing DIRC through several difficult passages in its history as well as leading its growth and innovation during a period that has seen significant change in both the disability sector and within DIRC's services.

As the Chair of DIRC, I wish to take this opportunity, on behalf of my fellow Directors and staff, to thank Sandy for the enormous contribution she has made to DIRC and to the disability sector. Sandy will be missed, and has our very best wishes on her future.

Looking forward, the Board of DIRC has appointed a new Director, Letizia Gentile.

Delores Wells  
DIRC Board Chair
