

Grant Writing Workshop

Start your successful application today!

- Do you have a project that needs funds?
- Would you like to apply for a grant but don't know where to begin?
- Maybe you would like to fine tune your grant applications?

The Grant Writing workshop will prepare you with techniques that can be applied immediately in your organisation to help you prepare successful grant proposals.

Experienced grant writer and trainer, Greg Franks, from CBB will lead this practical and interactive workshop in his own fun and engaging way.

By the end of the workshop you will;

- understand the grant process
- know where to find grant sources
- understand what makes a successful grant
- know how to put a grant application together
- be strategic in planning for future grant proposals
- start developing your next application

Come with an idea and a grant application form and leave with the skills and confidence to win that grant! Get started today!

Facilitator Profile: Greg Franks

Greg has 20 years experience in managerial leadership positions in the arts, education, IR, health, community services, OH&S, and recreation sectors as well as undertaking his own entrepreneurial ventures.

In this time Greg's has secured many millions in grants from all levels of government, from philanthropic funds to corporate sponsors.

Greg is an enthusiastic ideas man and a problem solver who enjoys coming up with innovative ideas. "Grant writing is both an art and a science. Once you know the science you can learn the art by practice. No matter what your purposes or cause there are funds out there just waiting for you"

He has the knack of making complex concepts understandable and come alive. After one presentation a participant was heard to say "Greg turned mud into clear water".
