

# CONSUMER DIRECTED CARE WHAT WILL IT MEAN FOR ME?

## WESTERN LINKAGES REGIONAL FORUM

### CONSUMER DIRECTED CARE What will it mean for Me?

Consumer Directed Care enables people who receive services and their Carers to have greater control over the design and delivery of the services they receive.

Come and hear about the current ways that services in the West are utilising Consumer Directed Care principles to increase flexibility and maximise Consumer control.

#### Who should attend?

People who receive in home services, their Carers and Community Service Providers.

#### This is a Free Event

Forum topics will include an overview of Consumer Directed Care and will showcase current service models including ACH, Resthaven, Uniting Care Wesley and the Disability sector.

Presenters will include service providers and importantly also Consumers / Carers of those who are receiving Consumer Directed Care.

**Guest Presenter: Dr Heather Waddy**, TQEH Neurologist and Carer will speak on Consumer Directed Care and Dementia
